

Rebecca Rosen

MEDIA BACKGROUNDER

Internationally acclaimed best-selling author, spiritual medium, and speaker. Rebecca Rosen has made it her mission to demonstrate the connection to spirit so that we all can receive wisdom and insight that can profoundly affect our lives. Rebecca has worked to open the line of communication between the spirit world and our day-to-day world.

For more than 20 years, Rebecca has served as a bridge between worlds – relaying messages from those who have passed to those seeking a connection with their deceased loved ones. Her incredibly accurate and detailed readings have amazed and empowered clients, and led Rebecca to national media appearances on The Dr. Oz Show, E! News Specials, Fox & Friends, Dr. Phil, Entertainment Tonight, Extra, Nightline and The Rachael Ray Show, among many others. Rebecca also appeared as the star of the LMN television show *The Last Goodbye*, which shed light on mediumship and created a larger awareness of its purposes, Spirit, and the Other Side to a wide audience.

In addition to her first and second internationally best-selling books, *Spirited* and *Awaken the Spirit Within*, and her third book, *What the Dead Have Taught Me About Living Well*, Rebecca released her fourth book, *What's Your Heaven?* in March 2023.

Rebecca's intention is that through her connection to spirit, every one of us can deepen and develop our own connection to ourselves, one another, and our team spirit. Guidance in our lives can come from many places – friends, loved ones, professionals, or occasionally, the stranger in line. It can also come from those who have passed on, as it does for Rebecca. This spiritual support system is available to everyone. It all starts with us. It doesn't matter what you call it – God, Spirit, Source, Higher Power, the Divine, Energy, Intuition, Universe – it just matters that you are open to communicating because the wisdom you gain can change your life.

No matter where you are on your journey, whether you call yourself a believer, a curious, or a skeptic, your life can change the moment you start to ask questions

and be open to the answers, no matter how they come to you.

Rebecca Rosen offers a variety of opportunities to connect including one-on-one sessions, small group readings, large audience events, books, meditations, and online resources and self-guided courses.
